All members of the board of Trustees (the "Trustees") of the CIBC World Markets Children's Foundation (the "Foundation") individually and collectively have a fundamental responsibility for control of the Foundation's activities and funds. Trustees are appointed based on the needs of the Foundation and their respective experience, and come from the staff of the Canadian Imperial Bank of Commerce, London ("CIBC"). Appropriate additional training is provided as and when required. There are a minimum of three Trustees at any time. Apart from the first Trustees, each Trustee is appointed for a term of three years by a resolution of the Trustees passed at a special meeting called under and subject to clause 15 of the Foundation's Trust Deed:

"(ii) In selecting individuals for appointment as Trustees, the Trustees have regard to the skills, knowledge and experience needed for the effective administration of the charity; and

(iii) The Trustees keep a record of the name and address and the dates of appointment, re-appointment and retirement of each Trustee."

In order to segregate the duties of the Foundation so that no one person is overburdened or given too much authority, overall responsibility for the various key activities of the charity has been assigned as follows:

Mark Beels	Accounting, administration and fundraising
Angus Scott	Legal advisory, fundraising
Helen Hayes	Fundraising
Karl Wildi	Fundraising

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is

inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees present their report with the financial statements of the Charity for the year ended 31 March 2013.

Principal Activities and Review

Background

Each year, on the first Wednesday in December, CIBC employees and clients participate in a major fund raising effort on behalf of children's charities throughout the world. The fund raising campaign is known as Miracle Day, when CIBC donates fees, commissions, and other monies raised on that day, to support children in our communities.

Children's Miracle Day was established in 1984 by CIBC Wood Gundy in Canada (now CIBC) and globally has donated in excess of £108 million to improve the quality of life for thousands of children and their families and is now one of the World's largest annual one-day corporate fundraising events. CIBC's European operation has donated over £3.6 million + 2013 to numerous charities across the United Kingdom, Europe and Africa since it became involved in Children's Miracle Day in 1994, and, in July 2004, registered the Foundation as a charity in the UK. The Foundation is a single centrally administered organisation.

In our region, the Foundation supports both UK registered and recognised European charities that are dedicated to the health, welfare and education of children. Examples include children's hospitals, counselling and special programmes for 'at-risk' children.

A committee of CIBC staff coordinates the day to day activities of the charity, working with the Trustees to fulfil the Foundation's objectives. Four of the Trustees regularly sit on the committee and ensure that the decisions which are made fully comply with the overall aims and objectives set out in the Foundation's Trust Deed.

Objectives of the Foundation

To promote any charitable purpose for the benefit of children or children's charities worldwide by the provision of financial and other assistance and by promoting volunteerism. Specifically:

- To raise the quality of life for children in the communities served by CIBC London;
- To demonstrate our dedication in helping to prepare children for future success; and
- To encourage volunteerism and foster community involvement on the part of CIBC London employees.

These are concurrent with the Foundation's Trust Deed.

In setting our aims and objectives and in planning our future activities we have referred to and taken into account the guidance contained in the Charity Commission's general guidance on public benefit.

The CIBC World Markets Children's Foundation Annual Report for the year ended 31 March 2013

Grant Making Policies

Charities meeting the Foundation's objectives that are known to; or which contact; or are recommended to the Foundation are placed on a database and are invited to submit a funding proposal to the Foundation's Selection Committee annually. All proposals received that are fully compliant with our donation criteria are circulated to the Selection Committee for review. Charities are then short-listed by the selection committee and short-listed candidates are invited to present. The Selection Committee then makes a decision on the number of charities to be supported and those charities that receive the greatest number of votes from the various members are chosen for support. These choices are then ratified by the Trustees before the charities are informed of their success. Additional smaller one-off donations may be made directly or indirectly (either on a one off donation basis or by matching sponsorship efforts of CIBC employees) to charities meeting the criteria and objectives of the Foundation at the discretion of the Trustees and must be duly approved.

For the year ended 31 March 2013 the Foundation received 30 applications to be our Charity of the year (2012: 25).

Aim for the Year

The objectives and strategy of the Foundation for the year ended 31 March 2013 continued to be to raise funds through CIBC client and internal events to allow grants and other donations to be made to selected registered charities benefiting children.

Charitable Donations

In line with the objectives of the Foundation, and based on the expected income levels of the preceding year, it was decided by the Trustees to support three "Charities of the Year". The following charitable institutions were selected from a list of applicants to be our Charities of the Year:

REACT

Donation given: £60,000

Previous Support: £15,000 (2006), £50,000 (2011). £50,000 (2012)

Charity Background: REACT (which stands for Rapid, Effective Assistance for Children with potentially Terminal illness) is a national charity which provides urgently needed equipment and assistance to financially disadvantaged families caring for a terminally ill child at home. React responds to urgent requests by carer-families for specific pieces of equipment which fulfill a 'basic, essential need' or are necessary to preserve or improve their child's quality of life.

Many families view React as a 'last resort' and one that they can turn to when funding cannot be found elsewhere. React works closely with medical and health care professionals to maximise the effective use of its funds and offer a caring service with the minimum of 'red tape'.

More information about React can be found on: <http://www.reactcharity.org>.

Project(s) supported: *An unrestricted donation was made towards the activities of the REACT.*

Sick Children's Trust

Donation given: £60,000

The CIBC World Markets Children's Foundation Annual Report for the year ended 31 March 2013

Previous Support: n/a

Charity Background: The Sick Children's Trust is a national charity that exists to support the recovery and welfare of seriously and terminally ill children by helping families to be together when they have a sick child in hospital.

It provides 'Home from Home' family accommodation at hospitals around the UK that enable families to stay together in comfortable and homely accommodation just minutes from hospital wards.

By providing family accommodation at hospitals The Sick Children's Trust alleviates many of the concerns that families would otherwise face and instead allow them to focus on being at their sick child's bedside as much as possible and to be together at exactly the time in their lives when they need each other the most.

More information about The Sick Children's Trust can be found on:
<http://www.sickchildrenstrust.org.uk>.

Project(s) supported: *An unrestricted donation was made towards the activities of the Sick Children's Trust.*

CHICKS (Country Holidays for Inner City Kids)

Donation given: £60,000

Previous Support: £17,500 (2007)

Charity Background: CHICKS is a national children's charity which provides hope and happiness to children who have very little. For children who are growing up in poverty or in deprived inner city areas the chance to have a holiday or visit the coast is often a distant dream.

CHICKS provides these 8 – 15 year olds with FREE respite breaks so that they can swim in the sea, visit the countryside, ride a horse and run around in green wide open spaces; often for the first time in their lives. Whilst with CHICKS these children can let off steam, make new friends, build their confidence, have fun and ultimately build some positive childhood memories.

CHICKS has two retreats based in Devon and Cornwall and last year it helped just over 1,150 children nationwide.

More information about CHICKS can be found on: <http://www.chicks.org>.

Project(s) supported: *An unrestricted donation was made towards the activities of CHICKS.*

In the prior year, the Foundation supported three charities of the year – REACT, Haven House Children's Hospice and Children's Heart Federation, all UK registered charities benefiting children - and was able to provide an end of year unrestricted grant to each of £50,000.

Additional Donations made by the Foundation

Additional donations were also made during the year to the following Charities/non profit making organisations for projects or activities which in the opinion of the Trustees matched the aims of the Foundation:

- Little Havens Childrens Hospice – a donation of £750 was made.

**The CIBC World Markets Children's Foundation
Annual Report for the year ended 31 March 2013**

- Save the Children Syria Appeal – a donation of £2,500 was made

Fundraising Activities

During the year the following events achieved sufficient fundraising to allow us to achieve our charitable objectives, as well as encouraging the participation of CIBC's staff, clients and suppliers with the Foundation:

Miracle Day: £90,454 was donated from business activities of CIBC on the day. Staff fundraising activities were also held on the day notably a rowing/cycling challenge, coffee morning, sale of soft toys, t-shirts and chocolate biscuits, and a raffle which added £11,701, as well as a generous pledge by CIBC of £5,000. The monies raised were certainly assisted by the presence of a number of celebrities and representatives of the charities, which included:

Jennifer Saunders;
Richard Clifford;
Samantha Bond;
Alice Beer;
Christopher Timothy;
Greg Searle, MBE, Alex Partridge and David Smith, all of who are GB Olympic Medal Winning Rowers; and
Children and representatives of the charities.

CIBC Golf Day: The annual Golf Day for CIBC clients was held at St George's Hill Golf Club, Weybridge on the 7th September 2012. 84 golfers competed for individual and team prizes and helped raise £44,000 through fundraising activities on the day. The event, funded by CIBC, provides a great networking opportunity for our supported charities, whose representatives helped on the day and attended the post-golf dinner.

Fundamental to the success of fundraising during the Golf Day is the support we receive from a number of companies who donate prizes or discount products which are used at the event. This year we acknowledge the most generous contribution of the following organisations to the day:

Air Canada	St George's Hill Golf Club
Advance Security	Le Bristol Hotel, Paris
BGC Partners	One Aldwych Hotel
Ben Thompson Events	Seico
Bloomberg	Sunguard
CGI	Texture
Haz Restaurant	Virgin Atlantic
ICAP	Wickes Wines

Internal CIBC Events:

Further funds are raised throughout the year via a programme of CIBC staff activities that are designed to raise the profile of the Foundation across the Bank, encourage volunteerism, and involve individuals in the activities of the charities. These included, parcel delivery donations, "Jeans Fridays", a wine raffle, a quiz evening, sporting fantasy league competitions, a City of London treasure hunt and sundry donations from CIBC staff which raised in total £xx.

Fundraising from these events, combined with the staff amounts included in Miracle Day above, totalled £14,231 (2012: £13,374), equating to a per-head of CIBC staff donation level of £66 (2012: £62).

The CIBC World Markets Children's Foundation Annual Report for the year ended 31 March 2013

Fundraising in the Netherlands

During the year the Foundation registered as a Public Benefit Entity in the Netherlands in order to carry out fundraising there.

Subsequent to this, the Foundation received a donation of EUR385,000 (GBP329,955.29) towards its charitable aims.

This donation has been designated by the trustees to be used towards a large one off grant to a charity(s) meeting the charitable objectives of the Foundation. This process will be launched in late 2013.

CIBC Donation towards costs

CIBC provides a donation each year towards the costs of the charity. For 2013 this amounted to £3,150 to cover the audit fee (2012: £3,000).

People and Posts

The Foundation relies on the efforts of volunteers to assist with fundraising activities.

A committee of volunteers is responsible for day to day matters and reports to the Trustees. The Trustees commend these participants on their efforts during the year and the success of the fundraising activities undertaken.

The Committee has a Chairperson who is responsible for reporting the activities to the Trustees. Two of the trustees also sat on the committee to provide guidance and to ensure no decisions were taken that fell outside of the Foundation's objects or its Statement of Recommended Practice.

Future Developments

The Trustees intend that the activities of the Foundation will continue and it will continue to meet its charitable objectives and support children's charities.

In the short term, it is likely the core activities remain similar to 2013, with two-three supported charities of a similar size and nature. The Trustees will continue to monitor the success of fundraising events and will accordingly adjust the size of events held and donations made.

In addition, the trustees are looking to make a one off reward in respect of the exceptional donations received in the year.

Financial review

The financial results for the year are set out on pages 13 to 14, with the accounting policies on page 15.

The Foundation was registered with the Charities Commission on 23 July 2004 and became a separate legal entity at that date. These financial statements cover its eighth reporting period.

The CIBC World Markets Children's Foundation Annual Report for the year ended 31 March 2013

The activities of Miracle Day December 2012 contributed £90,454 from commissions and revenues on the day, £11,701 from the associated CIBC staff activities and £5,000 from a CIBC donation. In addition £49,503 income came from fundraising events, primarily the Golf Day which raised £44,285, from CIBC staff events in the year £1,815 and other donations £3,403. A contribution towards the administrative costs incurred by the Foundation of £3,150 was also pledged by CIBC. As a result, the Foundation was able to make sizeable donations to our Charities of the Year, spread between an interim donation in December 2012 and a final donation at the year end.

In addition, the foundation received a donation of £329,955.29 towards its charitable aims as covered above. This amount has been designated by the Trustees for use in future towards a large one-off project as it falls outside of the core fundraising of the Foundation.

Grants of £180,000 (2012: £150,000) were made to institutions which were registered charities whose activities benefit children as detailed in the Trustees report on page 5.

The Foundation incurred expenditure as a result of its fundraising activities of £5,613 (2012: £1,093), primarily from the Golf Day. As noted in the Trustees report, these costs were met from the reserves held from prior years. Governance costs of £3,150 for the year were met by CIBC.

The Foundation recorded a surplus in its accounts for the year. The reported surplus was in line with the expectations of the Trustees. The Trustees consider the result for the year to be concurrent with the aims and policies of the Foundation and that its financial position for the coming year is appropriate.

Reserves

The aim of the Foundation is to make annual donations to selected charities. Due to the dependence of the Foundation's main source of income on financial market conditions on one particular day, the Trustees believe it prudent to retain a level of reserves which would enable donations to be made in any year where income from trading commission is limited.

Where the Trustees determine any such reserves to have become excessive, additional grants will be sanctioned by the Trustees.

Restricted/Designated Funds

The Foundation does not have funds that, in the opinion of the Trustees, comply with the definition of either restricted or designated. All funds in the Statement of Financial Activities are classified as unrestricted.

Related party transactions

CIBC World Markets Plc and CIBC London Branch have no direct ownership link to the Foundation, which is an unincorporated separate legal entity. However, the Trustees of the Foundation and the members of the Committee were all employees of CIBC during the year. CIBC made annual donations to the Foundation both to cover fundraising costs and as a result of fundraising initiatives organised on behalf of the Foundation. These are disclosed further in Note 10.

Risk Assessment

The Trustees have assessed and will continue to assess the major financial and non-financial risks to which the Foundation is exposed which include misappropriation of

**The CIBC World Markets Children's Foundation
Annual Report for the year ended 31 March 2013**

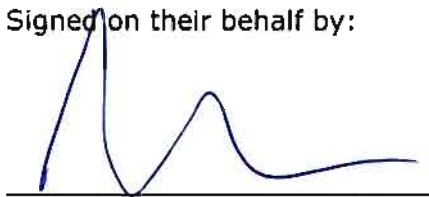

assets, reputational risk and financial misstatement. Systems and procedures are in place to mitigate our exposure to all identified risks.

The key risk the Foundation is exposed to is a drop in fundraising, particularly from Miracle Day trading at CIBC or fundraising events. This is mitigated by the flexibility of the Foundation's grant making process and careful financial planning, which allows the Trustees to vary the number of charities selected for support donations and subsequently the donations awarded.

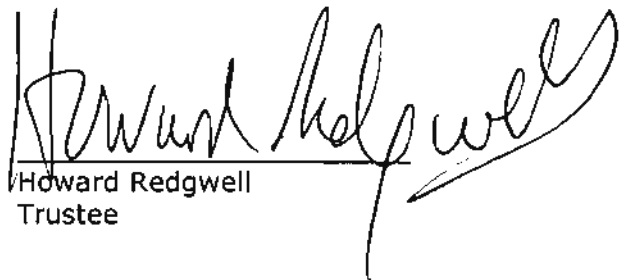

Approval

The annual report and financial statements were approved at a meeting of the Board of Trustees of the CIBC World Markets Children's Foundation held at the offices of CIBC on 10 January 2014.

Notes to the financial statements for the year ended 31 March 2013

1 Principal accounting policies

The financial statements of CIBC World Markets Children's Miracle Foundation were approved by the Trustees on 10 January 2014. The financial statements have been prepared in accordance with the Charities Act 2011, the Charities Commission Statement of Recommended Practices (SORP) 2005 and applicable United Kingdom accounting standards. A summary of the more important accounting policies is set out below:

(a) Basis of accounting

The financial statements have been prepared in accordance with the historical cost convention. The financial statements have been prepared on the accruals basis as specified by the SORP (2005).

(b) Fund accounting

The Foundation applies the following classifications to its funds:

Restricted funds – income prescribed for a certain use by the donor.

Designated funds – income designated by the Trustees for a certain purpose.

Unrestricted funds – comprise the balance of the Foundations accumulated surpluses and deficits. They are available for use at the discretion of the Board of Trustees in furtherance of the general charitable objectives.

At present and in prior years there were only unrestricted funds.

(c) Cash flow statement

The Foundation is exempt from producing a cash flow statement as required by Financial Reporting Standard No 1 'Cash Flow Statements' on the grounds that the Trustees believe the Foundation to be a 'small entity' as defined under section 381 of the Companies Act 2006.

(d) Stock

Stock is valued at the lower of cost and net realisable value.

(e) Incoming resources

Incoming resources are recognised when the effect of a transaction or other event results in an increase in the Foundation's assets. Income represents donations, fundraising proceeds and investment income receivable by the Foundation. In the event that income is received for a designated purpose it would be segregated accordingly as restricted income.

(f) Resources expended

All resources expended are accounted for on an accruals basis. Grants made comprise donations made by the Foundation. Governance and operational costs comprise statutory, compliance and administrative costs. Costs incurred in events and fundraising activities are categorised as such.

**The CIBC World Markets Children's Foundation
Annual Report for the year ended 31 March 2013**

(g) Taxation

The Foundation is exempt from corporation tax as all its income is charitable and is applied for charitable purposes. It is not VAT registered.

2 Incoming resources

The primary source of income for the Foundation was an exceptional donation received of £329,955.

From core activities, the primary source of voluntary income from the CIBC donation on Miracle Day of £95,454 (2012: £80,374). It comprises fees and commissions for that day from the trading activities of CIBC of £90,454, and an additional fundraising matching donation from CIBC of £5,000.

Income from fundraising activities of £61,205 (2012: £52,469) include income from CIBC staff events on Miracle Day, CIBC staff donations and other events organised in the year, notably Golf Day.

3 Resources expended

Grants and other donations of £183,250 (2012: £153,750) were made to organisations which were registered charities whose activities benefit children as detailed in the Trustees report page 6.

The Foundation incurred expenditure as a result of its fundraising activities of £5,613 (2012: £1,093). Governance and operational costs of £3,905 (2012: £3,093) relate to governance, compliance and administration and are primarily met from the donation provided by CIBC.
