AND WHEREAS the parties hereto have agreed to amend the Trust Deed pursuant to the terms of this Agreement in accordance with Clause 21.2 of the Trust Deed and Section 8.02 of the Security Agreement;

NOW THEREFORE IT IS HEREBY AGREED that in consideration of the mutual covenants and agreements herein set forth, the parties agree as follows:

ARTICLE 1 – AMENDMENTS

1.01 **Amendments**

(1) The schedule attached to the Trust Deed as Schedule 1 – *Terms and Conditions of the Covered Bonds* is amended as follows:

- (a) The first paragraph in the section entitled “Terms and Conditions of the Covered Bonds – Interest on Floating Rate Covered Bonds – Interest Payment Dates – Rate of Interest” under Condition 5.03 is deleted and replaced with the following:

“Where the Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, and the Reference Rate is specified in the applicable Final Terms as being a rate other than SONIA, the Rate of Interest for each Interest Period will, subject to the provisions of Condition 13.02, be determined by the Calculation Agent on the following basis:”

- (b) The following subsection shall be inserted at the end of the section entitled “Terms and Conditions of the Covered Bonds – Interest on Floating Rate Covered Bonds – Interest Payment Dates – Rate of Interest” under Condition 5.03:

“Where the Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, and the Reference Rate is specified in the applicable Final Terms as being SONIA, the Rate of Interest for each Interest Period will, subject as provided below and subject to the provisions of Condition 13.02, be Compounded Daily SONIA plus or minus the Margin (as indicated in the applicable Final Terms) as determined by the Calculation Agent.

“**Compounded Daily SONIA**” means the rate of return of a daily compound interest investment (with the daily SONIA reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{\text{SONIA}_{i-\text{pLBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Interest Period;

“**d_o**” is the number of London Banking Days in the relevant Interest Period;

“**i**” is a series of whole numbers from one to **d_o**, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Period;

“**London Banking Day**” or “**LBD**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**n_i**”, for any day “**i**”, means the number of calendar days from and including such day “**i**” up to but excluding the following London Banking Day;

“**Observation Look-Back Period**” is as specified in the applicable Final Terms;

“Observation Period” means the period from and including the date falling “p” London Banking Days prior to the first day of the relevant Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date falling “p” London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling “p” London Banking Days prior to such earlier date, if any, on which the Covered Bonds become due and payable);

“p”, for any Interest Period, is the number of London Banking Days included in the Observation Look-Back Period, as specified in the applicable Final Terms;

“SONIA reference rate”, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average (**“SONIA”**) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors, in each case on the London Banking Day immediately following such London Banking Day; and

“SONIA_{i-pLBD}” means, in respect of any London Banking Day falling in the relevant Observation Period, the SONIA reference rate for the London Banking Day falling “p” London Banking Days prior to the relevant London Banking Day “i”.

If, in respect of any London Banking Day in the relevant Observation Period, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) determines that the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be: (i) the Bank of England’s Bank Rate (the **“Bank Rate”**) prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, in the event the Bank of England publishes guidance as to (i) how the SONIA reference rate is to be determined or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) shall, to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA reference rate for the purpose of the relevant Series of

Covered Bonds for so long as the SONIA reference rate is not available or has not been published by the authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms), the Rate of Interest for the relevant Interest Period shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Covered Bonds for the first Interest Period had the Covered Bonds been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Period).

If the relevant Series of Covered Bonds become due and payable in accordance with Condition 7, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Covered Bonds became due and payable and the Rate of Interest on such Covered Bonds shall, for so long as any such Covered Bond remains outstanding, be that determined on such date.”

- (c) The definition of Interest Determination Date in Condition 5.09 is deleted and replaced with the following:

“**Interest Determination Date**” means, in respect of any Interest Period, the date specified as such in the applicable Final Terms or, if none is so specified:

- (i) in the case of Covered Bonds denominated in Pounds Sterling (and the Reference Rate is other than SONIA) or in another currency if so specified in the applicable Final Terms, the first day of such Interest Period; or
- (ii) in any other case, the date falling two London Banking Days (or, in the case of EURIBOR or EUROLIBOR, two TARGET2 Business Days) prior to the first day of such Interest Period.”
