Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a Third Amended and Restated Trust Deed dated July 22, 2021 and made between the Issuer, the Guarantor and Computershare Trust Company of Canada as trustee for, *inter alios*, the Holders (as defined below) of the Covered Bonds (as may be modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”).

Each Holder of the Covered Bonds shall have a quotal co-ownership interest in this Global Covered Bond to the extent of his claim against the Issuer, provided that for so long as this Global Covered Bond remains deposited with the Intermediary the co-ownership interest shall be suspended and the Covered Bonds may only be transferred or otherwise disposed of in accordance with the provisions of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) i.e. by entry of the transferred Covered Bonds in a securities account of the transferee.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to (i) pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, and (ii) perform all, if any, delivery obligations to be assumed or incurred by it under the Conditions, in each case upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Swiss Principal Paying Agent at Uetlibergstrasse 231, CH-8070 Zurich, Switzerland or such other specified office as may be specified for this purpose in accordance with the Conditions or at the specified office of any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

The nominal amount of the Covered Bonds represented by this Global Covered Bond shall be the amounts stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the main register of SIS.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond the Issuer shall procure that details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the main register of SIS recording any such redemption, payment, purchase and cancellation (as the case may be) and shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment.

In certain circumstances further Covered Bonds may be issued which are intended on issue to be consolidated and form a single Series with the Covered Bonds. In such circumstances the Issuer shall procure that details of such further Covered Bonds may be entered by or on behalf of the Issuer in the main register of SIS and the recording of such an issue of an additional Tranche shall be represented by a permanent global covered bond signed by or on behalf of the Issuer.

For the purposes of disclosure pursuant to the *Interest Act* (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year for which such calculation is made and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

The Issuer confirms that it fully understands and is able to calculate the rate of interest applicable to the Covered Bonds based on the methodology for calculating per annum rates provided for herein. The Issuer hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Covered Bonds or any transaction document, that the interest payable under the Covered Bonds or any transaction document and the calculation thereof has not been adequately disclosed to the Issuer, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

Neither the Issuer nor the Holders nor the Swiss Principal Paying Agent shall at any time have the right to effect or demand the conversion of the Permanent Global Covered Bond (*Globalurkunde*) into, or the delivery of, uncertificated securities (*Wertrechte*) or definitive Covered Bonds (*Wertpapiere*) ("**Definitive Covered Bonds**").

This Global Covered Bond shall in all respects be entitled to the same benefits as the Definitive Covered Bonds for which it may be exchanged, subject to and in accordance with the provisions of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*).

Upon any payment of interest, redemption or purchase and cancellation, of any Covered Bond details of such payment, redemption or purchase and cancellation shall be entered pro rata in the records of the Intermediary. Upon any such redemption or purchase and cancellation the nominal amount of the Covered Bonds and the Covered Bonds recorded in the records of the Intermediary and represented by this Global Covered Bond shall be reduced by the nominal amount of such Covered Bonds so redeemed or purchased and cancelled.

The records of the Intermediary will determine the number of Covered Bonds held through each participant in that Intermediary.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

This Global Covered Bond shall not be valid unless authenticated by Credit Suisse AG, as Swiss Principal Paying Agent.
